### Curbside Pickup!

Have you found a book in the library that would be perfect for your research? The library can retrieve it for you and make it available for curbside pick-up.

To request a book, look for the section of the book catalog entry that says "Availability". Click the link, enter your information, and library staff will email you to set up a time for you to pick up the book(s).

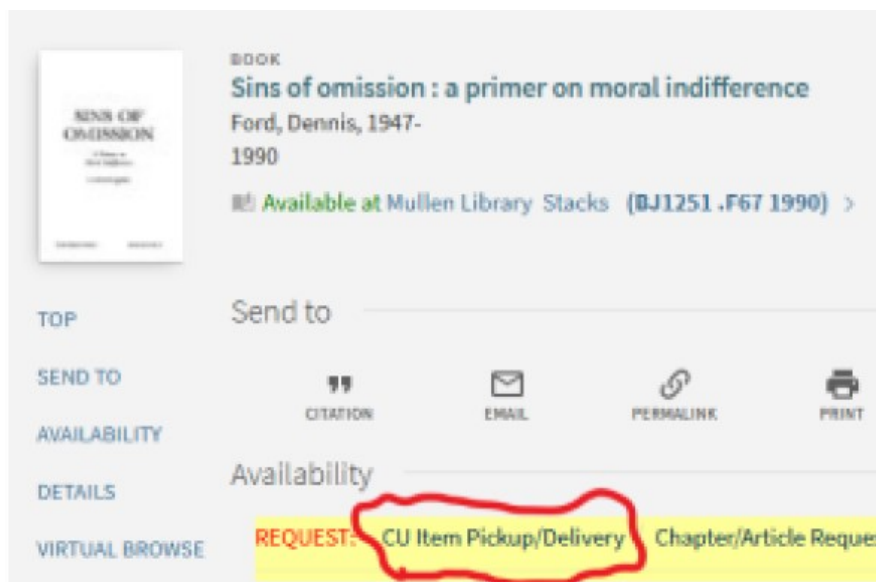

### Library @ Home

You can use the library books or journal articles from your computer or mobile device at home!

Locate the research you need by using the SearchBox on the library [homepage](#).

If you have any trouble, ask us at [lib-research@cua.edu](mailto:lib-research@cua.edu).
