Tips for Conquering Finals

Volume 7, Issue 4 • December 2021

Balancing finals and the rush of the holiday season can be overwhelming. Here are some tips and tricks for conquering the upcoming finals season.

Tip #1: Change Your Scenery:

Get out of your dorm and find a comfortable place at the library to study. All spaces are available on a first-come, first-serve basis. The study spaces in Mullen Library allow a different level of noise depending upon the floor. Talking is permitted on the first and second floors. The third floor is silent study only.

Tip #2: Develop A Daily Routine:

Plan out a daily and weekly study schedule. Library hours during the final exam period are extended. Visit libraries.catholicu.edu for library hours during finals and intersession.

Tip #3: Take A Break:

Give your mind a rest every so often. Check out the Popular Reading shelf located on the first floor for some fun reading. Or stream a movie via Swank Digital Campus.

Tip #4: Unplug:

Unplug from the virtual world when possible. Check out *The Sacred in the Modern* exhibit in the May Gallery. Or browse library resources on Women's Suffrage on the first floor.
